4 –Program: Suggested Activities

CATAMARAN CRUISE : SUNSET TIME

Make the experience of a sunset cruise along the northwest coast of the island of Mauritius.

Nothing is more romantic than to enjoy this beautiful cruise with your soul mate.

The sunsets in the North-West of the island of Mauritius are legendary and the best way to appreciate one is a view of a dazzling sunset from the ocean.

You will embark on board a magnificent 40-foot catamaran lasting two hours along the North Coast, while sipping cocktails and tasting snacks served on board.

Departure is at 5 pm Grand Bay (North of the island). The return scheduled on Grand Bay is at 19:00.

Let's take the road to discover a series of splendid beaches, to Riambel and the Jacotet Bay. A marine cemetery divides beaches hidden behind hedges of trees. The limitation will be the repetition of views down over the sea, a translucent blue, strange impression of feeling part to be in a lively postcard!

NORTH CATAMARAN TRIP: ILOT GABRIEL OR ILE PLATE

Discover an unforgettable experience of cruising on a 45-foot catamaran where you can appreciate the turquoise blue water, the breath-taking views, white sandy beaches, snorkel in the lagoon and marine life, the delicious food and the bar service. Relaxation and pleasure is guaranteed throughout the day.

The crew members will make you live a wonderful time and they will be delighted to tell you local stories, jokes and also play local music Mauritian. Vibrant atmosphere guaranteed!

The Gabriel Island is a natural reserve. Compared to the Flat Island, Gabriel Island has reduced flora and vegetation. The island is very famous for its pristine beaches and turquoise water surrounding the island. This is a well known superb site with divers.

DISCOVER THE BOTANICAL GARDEN

Pamplemousses Botanical Garden is a must-see site of Mauritius. The garden is located at few minutes from Port Louis, the capital.

Created by the French Governor Mahe de Labourdonnais, 3 centuries ago as his secondary residence, a French botanist, named Pierre Poivre designed the large botanical garden with over 80 species of Palm trees. Note that Patrice Poivre D'arvor is one of the descendants of the famous Pierre Poivre.
