The Ilot Gabriel is a nature reserve. Compared to the Ile Plate, Ilot Gabriel unless flora and vegetation. The island is famous for its pristine beaches and turquoise water. This is a site well known for its flora and fauna offering superb underwater encounters.

Ile Plate is very known divers with mask and snorkel and offer superb dive sites. Admire the crystalline blue turquoise water and beautiful beaches.

NATURE - Discover the Botanical Garden

Pamplemousses Botanical Garden is a must-see site of Mauritius. The garden is located at few minutes from the capital of Port Louis.

Created by the French Governor Mahe de Labourdonnais, 3 centuries ago, it became his secondary residence, it became a French botanist; a man named Pierre Poivre created the large botanical garden with over 80 species of Palm trees. Note that Patrice Poivre D'arvor is one of the descendants of the famous Pierre Poivre.

CULTURE - Head to the Capital

Don't miss the spectacular view of the city from the Citadel, ancient fortress built by the French colonists. Explore the roads of the capital, where you will discover Chinatown where you can enjoy some noodles, dimsums and other Asian dishes.

Do not miss the Champs de Mars, one of the oldest racecourses in the world. Races are held every year and are very appreciated by Mauritians.

The photographic Museum surprises a lot visitors with one of the largest collections of exhibitions, tables and equipment used in past centuries mainly in the 1800s and early 1900s.

Don't forget to take a ride in the market of Port Louis where the smells of spices will tickle you the nostrils. You will discover the local seasoned fruits as well as vegetables such as chouchou, the local tomatoes, the bitter gourd among others
