4 – Program: Suggested Activities

CATAMARAN CRUISE: SUNSET TIME

Make the experience of a sunset cruise along the northwest coast of the island of Mauritius. Nothing is more romantic than to enjoy this beautiful cruise with your soul mate. The sunsets in the North-West of the island of Mauritius are legendary and the best way to appreciate one is from the ocean.

NATURE: THE BOTANICAL GARDEN OF PAMPLEMOUSSE

Contrary to what its name indicates, it is not only grapefruits you will discover in this garden but hundreds of different plant species from the four corners of the globe. This botanical garden has become an inevitable step of a stay in Mauritius.

CULTURE: THE SUGAR FACTORY

Rising above the green sugar cane fields, the old sugar mill of Beau Plan with its long history is a true maker of history and tales.

By following the trail of the adventure of sugar with a history of over 250 years, you can retrace the past of the country.

They converted old factory into a modern museum visit lasts approximately 1 h 30 at the end of which, a tasting of the delicious sugar and especially local rum awaits visitors.

The sugar adventure begins here - behind the facade of the building of the plant - with stories weave around the history of the life of the sugar. You will then visit the huge factory, its old machines of ten years adorned with lights. A hedge of sugarcane leads you to the factory fully restored and converted, and movies referring to the early years of the Mauritius appear on giant screens.
